U S Masters Swimming 2017 Rule Book – Article 201.3.5 “A swimmer shall not represent any club in competition for 60 consecutive days before transferring affiliation to another club, unless this transfer takes place at the time of annual registration. A swimmer may declare unattached status at any time without written application. It is recommended that swimmers who intend to compete as unattached in a meet contact their registrar prior to the meet and request that their registration status be changed.”

During the 60 day waiting period, a swimmer must either NOT compete or must 1) compete as unaffiliated (no club affiliation, UC), 2) **notify the SI LMSC registrar** of the transfer/change to unaffiliated (UC) club status and the effective date BEFORE competing, and 3) fill out and sign the transfer form and mail it to the address below or scan and email the form to SIRegistrar@usms.org. There is no fee for becoming unaffiliated.

Swimmers, who are entering a meet and are in the process of transferring to a different club and eligible to affiliate with a new club by the meet date, must notify the meet director of the intent to transfer and represent the new club on the meet date. The intent to transfer and new club name must be indicated on the meet entry when the entry is submitted. Proof that the transfer and 60 day unaffiliation period will be completed by the first day of the meet must accompany the entry or be sent to meet director prior to the meet date. See registrar for proof.

To transfer or change affiliation from one club to another, you must file this transfer of club membership form and certify that it has been 60 days since you last represented your former club and list that date. During the 60-day waiting period, you must not have represented your former club in any USMS recognized or sanctioned event including pool, postal, long distance, open water, and fitness events. If you were registered with a club, changed club affiliation at the annual registration time, and wish to transfer to a different club, you must wait 60 days from the time when you last represented a club or from the registration renewal date. If you are **UC, unaffiliated (aka unattached or no club membership)**, you may transfer club membership immediately. Please completely fill out the application, sign and date the form, and send it with the transfer fee to the address noted below.
