PLEASE NOTE NEW MAIL TO ADDRESS

For USMS National Championships, the intent to transfer to the team with which the swimmer will be competing must be indicated on the USMS National Championship meet ENTRY FORM when entry is submitted. Proof that this transfer will be completed by the first day of the meet (60 day unattached period will be completed) must accompany entry form. This proof must be obtained from the registrar in either letter or new card form.

Other than at the annual membership renewal time, changing club affiliation, also known as transfer of club membership, requires a 60 day "waiting" period of not competing or of competing as unattached (not affiliated with any club). To transfer from one club to another, you must file a transfer of club membership form (\$6 fee) to become unattached, swim unattached in competition for 60 days, and file another transfer of club membership form (\$6 fee) to transfer to the new club. Alternatively, if you have not represented your original club for at least 60 days in any masters recognized or sanctioned event including pool, postal, long distance, open water, and fitness events, you may file a single transfer of club membership form (\$6 fee) and switch from one club to another. If you are unattached (no club membership) and have not represented any club within the past 60 days, you may immediately file a transfer of club membership form (\$6 fee) to join a club.
