

**SAN DIEGO-IMPERIAL LMSC INDIVIDUAL EVENT RECORDS**  
**50 METER COURSE (LONG COURSE METERS) DECEMBER 31, 2025**

SI Long Course Meters (LCM) Records are updated annually after the conclusion of the long course meters season which runs from October 1 to September 30 of the following year. The season for each course is one full year.

Records are updated 1) after times are verified at the LMSC (Local Masters Swimming Committee, a governing body) level as being swum in pools that are certified as being the proper length; 2) after times are verified as having met the timing requirements for being submitted as an official time for top ten purposes; 3) after verified times are submitted to the USMS National Top Ten Times Recorder by all LMSCs by the September 30 deadline; 4) after submitted names, ages, club affiliation, and times are proofed by the USMS Records and Tabulation Committee and by the Top Ten Recorders from each LMSC; and 5) after the USMS National Top Ten Times are published (mid to late December).

Effective January 1, 1999, the date for determining the swimmer's age for short course meters and long course meters events changed to December 31 of the year, so as to be consistent with international rules (AQUA fka FINA).
