

**SAN DIEGO-IMPERIAL LMSC RELAY RECORDS
25 METER COURSE (SHORT COURSE METERS) DECEMBER 31, 2025**

SI Short Course Meters (SCM) Records are updated annually after the conclusion of the short course meters season which runs from January 1 to December 31. The season for each course is one full year.

Records are updated

- 1) after times are verified at the LMSC (Local Masters Swimming Committee governing bodies) level as being swum in properly measured pools that are certified as being the proper length;
- 2) after times are verified as having met the timing requirements for being submitted as an official time for top ten purposes;
- 3) after verified times are submitted to the USMS National Top Ten Times Recorder by all LMSCs prior to or on the December 31 deadline;
- 4) after submitted names, ages, club affiliation, and relay times are proofed by the USMS Records and Tabulation Committee and by the Top Ten Recorders from each LMSC; and
- 5) after the USMS National Top Ten Times are published (late March).

SCM Relay records began being kept in 1986, but included only the 200 scm Free Relay and 200 scm Medley Relay. After 1986, the 400 scm Free Relay, 800 scm Free Relay, and 400 scm Medley Relay were added.

Effective January 1, 1999, the date for determining the swimmer's age for short course meters and long course meters events changed to December 31 of the year, so as to be consistent with international (AQUA fka FINA) rules.

On January 1, 2001, USMS included 18 year olds in competition. The 76-99 relay age groups changed to 72-99.
