2008 Application for Transfer of Club Membership

For Office Use:
Date:
New Registration #

For USMS National Championships, the intent to transfer to the team with which the swimmer will be competing must be indicated on the USMS National Championship meet ENTRY FORM when entry is submitted. Proof that this transfer will be completed by the first day of the meet (60 day unattached period will be completed) must accompany entry form. This proof must be obtained from the registrar in either letter or new card form.

Other than at the annual membership renewal time, changing club affiliation, also known as transfer of club membership, requires a 60 day "waiting" period of not competing or of competing as unattached (not affiliated with any club). To transfer from one club to another, you must file a transfer of club membership form (\$6 fee) to become unattached, swim unattached in competition for 60 days, and file another transfer of club membership form (\$6 fee) to transfer to the new club.
